VETERINARIAN FOR ASSOCIATION BONSA AMIGOS / CABO VERDE

The association „Bons Amigos“ is a NGO working in Cabo Verde with long lasting experience in treating stray animals and managing the complex of problems caused by stray cats and dogs.

The concept of “Bons Amigos” is based on 5 different principles:

1. prevention and treatment of zoonoses
2. castration of stray animals to prevent uncontrolled reproduction
3. animal protection and prevention of animal’s suffering caused by wrong measures
4. cooperation with the local population
5. cooperation with the responsible persons in politics and public administration.

For more information please have a look at www.bons-amigos.at

For our continuous work in Praia/Cabo Verde we look for a veterinarian (m/f) in full time employment.

Your areas of work in cooperation with our experienced local team would be:

1. veterinary diagnosis and treatment of animals, mainly cats and dogs in our outpatient clinic and in our animal hospital as well as directly in the field
2. planning, organization and execution of castration campaigns
3. sensitization and information of and cooperation with the local population
4. cooperation with responsible persons in politics and public administration

Ideally your qualifications are:

1. completed education in veterinary medicine
2. experience in the diagnosis and treatment of companion animals including surgery
3. experience in the work for an NGO or in animal protection
4. the will to work in a field where you can help to improve the quality of life for animals and people at the same time
5. endurance, responsibility and the capacity to work in an international and intercultural team
6. interest in understanding and adapting to the local culture in Cabo Verde
7. language skills in Portuguese, English and Cape Verdian Criol
8. driver’s license

Our offer includes:

1. full time employment including social insurance according to local standards for academic work
2. apartment with local standard
3. work with an experienced and motivated team
4. possibility to cooperate in improving the life of animals and making a social impact

If you are interested please send your application by email to: bonsamigos@gmx.at

The application should include:

1. identity card
2. detailed curriculum vitae
3. diploma in veterinary medicine and eventually other certificates
4. letter of motivation

We are looking forward to your application by March 30th, 2019!
